

South Shore Soccer League September 2013

Roll Call: all towns in attendance

Minutes of Previous Meeting: Approved as emailed

Treasurer's Report: Handout, approved as presented

Communications:

Spring Season Wrap-up:

- SSSL sent 20 teams to MTOC, 8 of them advanced to the final four in their respective divisions.
- Championships were won by three teams: Brockton u19 Boys Team coached by Rick Savignano, Weymouth u16 D1 Girls Team coached by John MacLeod, and Brockton u16 D2 Girls Team coached by Rob Texiera.
- SSSL was responsible for team registration and we received numerous compliments on how smoothly the process was run this year.

Fall Season Update:

- We have 119 Teams from 11 Towns registered this Fall, largest ever Fall registration.
- We did not join with Coastal and South Coast because it was unclear that the Cranberry league was properly affiliated. There was also an issue with South Coast teams not being properly registered during the fall and we would not risk playing with any unregistered teams.
- A question was raised about breaking the divisions down further in the future, which may be possible if we continue to have this number or more teams registered again next fall.

Mass Youth and League Committee:

- MTOC update – They are looking to have a HS team age groups, so u17 would replace u16 and u18 and u19 would be combined into a single u19 age group. This will be voted on at the October Leagues COmmittee meeting.
- MTOC will be the last weekend in June again this year 6/27 to 6/29.
- Submit any award nominations for Coach, Administrator, Volunteer, TOPS Buddy of the year into MYSA by the 9/20 deadline.
- In August, Randy Ellis received the award for the Mass State Referee Administrator of the Year.

Referee Report:

- Recertifications for Refs and Assignors happening now through 3/30/14.
- Spring referee meeting and on field training are being planned again for March.

Registrar Report:

- There is a new CORI process being used this season, it appears all our towns are following the new process. Nancy will not issue coaches cards to anyone that does not

have a valid active CORI in the system this spring.

- The **MANDATORY** Registrar's meeting will be in November prior to the General Meeting.
- Kohl's American Cup is 9/29 in Lancaster, open to U10 and U12 teams.

Reports of Committees:

Scholarship: Nothing until the Spring

Sportsmanship: Nothing until the Spring

Reports from delegates: none

Special Reports: none
