VI Making Up of Official Games

6. A Make-Up Game shall be defined as any game that could not be completed due to unsafe natural conditions. Unsafe natural conditions shall read as those conditions occurring naturally, such as but not limited to thunderstorms, hail, and non-playable fields.

6.1 . . . In the event of unsafe natural conditions, the game shall be stopped for the duration of the conditions. If the game cannot be restarted on the same day, then it shall be replayed in its entirety as a Make-Up Game. 6.2 . . . In the event that an official game cannot take place due to unsafe natural conditions, then the hometown president or his appointee shall give proper notification to the SSSL, the hometown coach shall notify the opposing coach. **Coaches cannot close fields or cancel matches.** The referee(s) shall be paid by the town failing to give proper notification. Proper notification shall read as about 2 hours before the game to prevent the arrival of these people.

6.2.1 . . . If proper notification is not given, then both teams should report to the game and the decision of the assigned referee as to its playability shall be final.

6.2.2 . . . If an alternate location is available within the hometown, then the game may be moved to the new location with a reasonable and proper effort to assure that all participating player(s), coach(s) and referee(s) arrive at the new location.

6.2.3 . . . If a field is closed within twenty-four (24) hours of game time and an opposing team has an available field the game shall be switched by the Game Scheduler to the available field. If the field is closed in less than twenty-four (24) hours, the town presidents and/or coaches must attempt to switch to the available field, if referees are available and enough notice is given.

6.3 . . . If the game does not have a referee assigned, or a referee does not make an appearance after 10 minutes of the scheduled starting time, then both coaches may agree on a substitute referee(s) and play the game or Make-Up the game. The payment of the substitute referee is the responsibility of the hometown unless the referee is a licensed referee registered with the S.S.S.L., or the scheduled referee takes over the game.

6.4 . . . A Make-Up Game shall be rescheduled within two weeks of the original game and by mutual agreement of the coaches. Failure to reschedule the game within two weeks shall result in a fine of \$50.00 for each team. The game will be scheduled by the town Presidents and the appropriate SSSL Age Group Administrator jointly. In the event that the coaches cannot agree on the reschedule, or the Age Group Administrator deems otherwise, then the game shall be played at the date, time and site so designated by the Vice-President of the S.S.S.L. The towns shall notify the Age Group Administrator and Game Scheduler for official posting of Make-up Games.

6.5 . . . Any association causing the failure to play an official game shall forfeit the game and be fined \$70.00 for the first offense, \$100.00 for the second offense and an additional \$25.00 for each time thereafter. (A team appearing, but unable to field the minimum number of players after 15 minutes of the scheduled game starting time shall forfeit the game, and will be fined \$50.00 for the forfeit.) Exception: this will not pertain to u10 games.

6.6 . . . Any Make-Up game that has met the requirements of date, time, location, and has a valid referee shall then be deemed an official game and is subject to the rules and regulation regarding an official game.

6.7 . . . If fifty (50) percent or more of the scheduled games for any given day of the regular SSSL Spring Season are canceled due to unsafe natural conditions, then the SSSL Executive Board has the right to cancel all the games scheduled for that day.
